

PCGG Application Form

Please fill out the following form. All items marked with an asterisk (*) need to be filled out. After you are done, send the application together with the additional documents to:

Prof. Dr. Martin Suhm
Institut für Physikalische Chemie
Tammannstrasse 6
37077 Göttingen
Germany

Please mark which of the following documents are provided with this application:

- Curriculum Vitae (English or German)
- List of Publications
- Copy of your Undergraduate Degree Certificate
- Copy of your Graduate Degree Certificate
- Copy of your English Language Test Certificate (if applicable)
- Copy of your German Language Test Certificate (if applicable)
- Copy of your Passport (for non-German applicants)
- Other (please specify)

Personal Information

*First Name:

*Last Name:

(Surname, as it appears or would appear on publications)

*Gender:

Male Female

*Date of Birth:

(Month/Day/Year)

Place of Birth:

*Nationality:

Marital Status:

Number of Children:

*Permanent Address:

(e.g. your parent's home)

*Present Address:

(where you are now, please indicate dates of validity)

*E-mail Address:

Website:

Academic Information

*Current Position:

*Is your current position permanent? Permanent Non-permanent

*Year of University Enrolment:

*Undergraduate Degree:

(e.g. B.Sc. in Physics, Vordiplom Physik)

*Year of Completion of Undergraduate Degree:

*University and Country from which the Undergraduate Degree was obtained:

Information on your Ranking:

(e.g. second best out of 30 undergraduates in that year)

*First Year of Graduate Studies:

*Graduate Degree:

(e.g. M.Sc. in Chemistry, Diplom Chemie)

*Year of Completion of Graduate Degree:

*University and Country from which the Graduate Degree was obtained:

Information on your Ranking:

(e.g. among the 10% best students that year)

*Title of your Masters/Diploma Thesis:

*Duration of your Thesis Work:

*Can you supply the thesis electronically? Yes No

*Level of your English Language Skills: native excellent good
 fair poor none

*Did you take an English language test? Name:

*If you took an English language test, what is your score?

(Note: we normally expect an IELTS score of 6.5 or higher in the academic module and a TOEFL score of 550 (213) in the paper (computer-based) test)

*Level of your German Language Skills: native excellent good
 fair poor none

*Did you take a German language test? Name:

If you took a German language test, what is your score?

*Are you interested in learning/improving your German skills during your stay? Yes No

Other Language Abilities? Please indicate your level.

List of Previous Scholarships, Awards:

(Please include time)

What do you Want?

*I want to get a Ph.D. at the University of Goettingen from the Department of:

Physics Chemistry

*I want to start:

As soon as possible In three months
 In six months

*I am most interested in:

(select at least one item, you may select more than one item)

Model Systems Synthetic Polymers
 Biomolecules

*I am most interested in:

(select at least one item, you may select more than one item)

Polymers and their Modeling
 Biomolecules and their Modeling
 Biopolymers

*I am most interested in:

(select at least one item, you may select more than one item)

Spectroscopy Synthesis
 Computation Theory

*I am most interested in:

(select at least one item, you may select more than one item)

Biochemistry Biophysics
 Materials Science Organic Chemistry
 Physical Chemistry Polymer Chemistry
 Solid State Physics Theoretical Chemistry
 Theoretical Physics

*I would be most interested in joining the Groups of:

(please mark 2-3 of the following nine groups, after having checked their short descriptions and their web pages. Note that this Graduate School is highly interdisciplinary and it is likely that you will work in two or even more groups; note that only the groups listed below will admit new Ph.D. students in the program.)

Buback Griesinger deGroot
 Grubmüller Krebs Samwer
 Suhm Vana Zeuch

I have really read the following Papers listed on www.pcgg.de and found them particularly interesting:

List of 2-3 Scientists with full postal and e-mail Address who have agreed to send a Letter of Recommendation:

*Scientist No. 1 Name:

*Scientist No. 1 e-mail Address:

*Scientist No. 1 postal Address:

*Scientist No. 2 Name:

*Scientist No. 2 e-mail Address:

*Scientist No. 2 postal Address:

Scientist No. 3 Name:

Scientist No. 3 e-mail Address:

Scientist No. 3 postal Address:

Comments and Questions

Please give us any extra information which is not covered by this questionnaire, or ask us any question which is not answered on this web site
(make sure you have checked the FAQ and other pages before you do so):
