

1st Workshop of the Graduate School GK 782 (Spectroscopy and Dynamics of Molecular Aggregates, Chains, Coils and Networks)

Time: 29.8.2002-30.8.2002

Place: Ländliche Heimvolkshochschule Mariaspring, Rauschenwasser 78
37120 Bovenden,
Tel. 05594/95060
Fax 05594/950650
e-mail: info@mariaspring.de
www.mariaspring.de

Purpose: It is essential that we get to know each other in order to create an intense co-operation within the Graduate School. This 27-hour workshop is organized in an attempt to provide an opportunity for us to get together and get familiar, to discuss the rules of the Graduate School (GK), to present some of our research results and goals, to establish collaborative projects, and to find out about possible project week topics.

Preliminary Program

Thursday (29/08/2002):

2.00 pm: meet in front of the Volkshochschule, luggage can be deposited there
2.15 - 4.45 pm: depart for a little walk/hike up to the Plesseburg
5.15 - 6.00 pm: students and research group leaders meet separately to discuss some issues of the GK
6.00 - 7.00 pm: dinner
7.00 - 8.00 pm: discussion about the organization and rules of the Graduate School
8.00 - 9.30 pm: short presentations by the students about previous research, current research, personal aspects, hobbies, etc., 7 min each, best in the form of transparencies
9.30 pm: informal discussions

Friday (30/08/2002):

7.30 - 9.00 am: breakfast
9.15 - 10.15 am: short presentations by supervisors about visions, concepts, cooperation possibilities, 5 min each
10.15 - 11.00 am: break and informal discussions
11.00 - 12.00 am: separate meetings of the A - D project groups, students+supervisors, to discuss project weeks and joint projects
12.00 - 2.15 pm: lunch and informal discussion
2.15 - 3.00 pm: final discussion, summary of the results obtained in the project group meetings, plans for the next meeting, criticism, etc.
3.00 - 3.15 pm: coffee+cake
3.15 - 5.00 pm: another hike, sports, etc., just get to know each other more closely

Additional Information

- How to get there:** by bus 203: direction Holzerode, from Göttingen Lutteranger (e.g. 1.37 pm) through Bovenden to the stop Rauschenwasser (before the stop Angerstein, e.g. 1.50 pm); by car: see the map under www.mariaspring.de
- Recreation:** bring your tennis (talk to Prof. Buback before) or badminton gear, if you wish
- Fees:** every participant has to pay 10 euro to cover the meal expenses (dinner, coffee breaks, lunch) which we are not allowed to pay from the Graduate School budget; regular accommodation in twin rooms is free for the members of the GK and it is strongly encouraged that you stay overnight. Upgrade to comfort single room accommodation is available for 15 euro (only a limited number available)
- Contact people:** Yaqian Liu: yliu6@gwdg.de
Marc Egorov: megorov@gwdg.de
Josee Kupferschmid: jkupfer@gwdg.de
Martin Suhm: msuhm@gwdg.de
